### **II. Examiner Interview**

On August 25, 2004, an Examiner Interview was conducted between the attorney of record, Sam Han (Reg. No. 51,771), and Examiner Anwah. Applicants thank Examiner Anwah for taking time from his schedule to discuss the pending application.

During that interview, an agreement was reached between the Applicants' attorney and Examiner Anwah, in which the Examiner recommended specific amendments to the claims, which would render the rejections moot. The claims have been amended in accordance with Examiner Anwah's recommendations.

Again, Applicants thank Examiner Anwah for such careful review of the pending application, and also for his insights with reference to the cited references.

### **III. Discussion of Rejections**

In accordance with the Examiner Interview, Applicants have amended the claims to overcome the rejections. As such, Applicants respectfully submit that the rejections have been traversed. In addition, any statements in the Office Action that are not explicitly addressed herein are not intended to be admitted.

### **IV. References Made of Record**

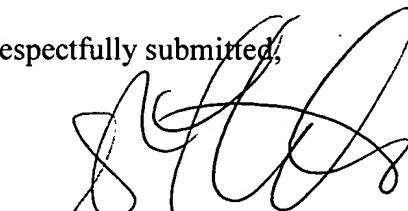

The references made of record have been considered, but are not believed to affect the patentability of the presently pending claims.
